Dear Peter,

Shea's Performing Arts Center has selected Metzger, Inc. to coordinate the 4-5000 yard carpet replacement project for our "Historically Registered Theater." Metzger, Inc. is to work with our restoration consultants to ensure SHPO compliance. It is our intent to replicate the original construction designs, patterns and colors with high end woven products, installed by a capable and professional firm.

Please begin upon receipt of this empowerment to source appropriate vendors and contractors for review and ultimately, our direct hire. Metzger, Inc. will be compensated as detailed in other documents.

Sincerely,

  
Anthony C. Conte  
President
