Re: TD Garden / 2012-13 Carpet Procurement

Dear Peter,

I am happy to offer a positive endorsement of your firm as you saved the TD Gardens 2012 suites and concourse renovations project approximately 17% after your fee when compared to pricing we received direct from a major carpet supplier.

We at TD Garden were introduced to Metzger, Inc. by DNC Corporate who has used Metzger, Inc. successfully for many years throughout the DNC system nationwide.

New procedures request all affiliates review major facility purchases with our corporate facilities arm and in doing so, they suggested we reach out to your firm on our forthcoming carpet buy-out and the results were significant as I note above.

Metzger, Inc. not only has saved us real dollars on the per yard cost of product in 2012, but secured those prices for our 2013 needs as well. Attention to our needs, schedules, managing details, prompt responses to calls along with negotiating results that only an industry wise consultant can, has proven to my team your value.

We look forward to a strong and continuing relationship.

Sincerely,

Jason W. Beckett
Vice President of Operations
