Gaming Floor Carpet / 8,000 sy +/-**

DESIGN

Dear Peter,

DEVELOP

Encompass Develop, Design & Construct, LLC acting as the owner's agent for the Eldorado Resorts LLC group will again retain Metzger, Inc. as our flooring procurement partner.

CONSTRUCT

MANAGE

Eldorado Resorts LLC has numerous Casinos, Hotels and Racinos with upgrades forthcoming through this format.

PROCUR

MAINTAIN

The Eldorado Shreveport, Louisiana property requires approximately 8,000 yards +/- of axminster wool woven carpet with a focused goal of an award and Purchase Order being issued by year end so as to capture 2014 budget allowances.

We recognize the details will not be finalized, but we will select the vendor. The facility does have a "design" concept for colors and pattern they want to replicate as closely as is allowed, recognizing there will be deviations presented by each supplier. **That initial "design" will get no special treatment in the bid process, we are using that to speed up the ability to award and expedite the design process.**

Please immediately create an RFP to collect and review options for construction, colors available, cost, production and delivery timing, suggested installation firms, etc.

Direct all suppliers to work through the Metzger, Inc. RFP process. Your format will determine the winner.

Metzger, Inc. will be compensated per our standard agreement as detailed in other documents.

Regards,

Chad VanMeter
Director of Pre-Construction
